# Welcome!

On behalf of the Board and staff of Hyattsville CDC and our generous sponsors: **“Welcome to Arts and Ales.”** our 14th Annual Downtown Hyattsville Arts Festival. Rain or shine, we are sure you will enjoy the amazing mix of media; the many new and returning talents; and the fresh works of the artists selected by our festival jury.

Our main stage will feature 6 popular acts from Hyattsville and the DC region, and we are host to 90 new and returning exhibitors and an eclectic mix of 8 food vendors. And last but not least, 6 of Maryland’s own craft brewing community join us today, including Hyattsville’s own *Streetcar 82 Brewery*, *Maryland Meadworks*, *Franklin’s*, *Riverdale Park’s Denizen’s* and *the Brewer’s Art*. Be sure to check out the local Hyattsville talent right in the mix.

You’ll find the list of our exhibiting visual artists and artisans, a schedule of performers, featured arts activities, important parking information, and community announcements and advertisements in this guide. If you’d like to know where to find a participant, please stop by our Hospitality/Information Booth for directions.

A special thank you goes out to our returning sponsors, for their long-standing, generous support. A great big welcome goes to the newest artists joining us, whose fresh interest and consideration have also helped to make this event possible. We bring this festival built by the community, for the community to everyone who calls Hyattsville home or finds it a great place to be. We hope new visitors will discover the amazing charms of Hyattsville’s downtown and community life.
